AIDS AWARENESS

Theme : “Let Communities Lead”

Objectives: Educate people about preventing HIV infection through changing their sexual Behavior. Raise awareness to create more openness about the disease and to make Communities more supportive of people living with AIDS.

Programme:

AIDS awareness programme jointly organized by RRC & NSS, Bon Secours College of Education at Government Higher Secondary School, Vandaiyaariruppu on 06.12.2023. The awareness programme started with invocation of Mother Tamil. Welcome address delivered by Ms.Logasundari, Department of English, I year Preservice teacher. Dr. S. Victoria, Vice Principal, BSCE honored Mrs.K.Hemalatha, Headmistress, Government Higher Secondary School, Vandaiyariruppu. Dr.A.Jenita Arockia Mary,Assistant Professor in Biological Science, BSCE honored Dr.Ushanandhini, Government Primary Health Centre, Vandaiyariruppu. Mrs. D. Priya, Assistant Professor in English, BSCE honored Mrs.R.Amuthavani, ICTC Counsellor,Government Primary Health Centre, Thondrampattu.

Mrs.K.Hemalatha, Headmistress, Government Higher Secondary School, Vandaiyariruppu delivered by Presidential Address. Dr.Ushanandhini, Government Primary Health Centre,Vandaiyariruppu delivered by Chief Guest address. She explained and to create the awareness of AIDS. Adolescence is mainly affected AIDS. AIDS is an incurable disease but prevent yourself in all aspects.

Mrs. R. Amuthavani, ICTC counsellor, Government Primary Health Centre, Thondrampattu explained ways and means of spreading AIDS. HIV is caused by a virus. It can spread through sexual contact, illicit injection drug use or sharing needles, contact with infected blood, or from mother to child during pregnancy, childbirth or breastfeeding. There's no cure for HIV/AIDS, but medications can control the infection and prevent progression of the disease. Antiviral treatments for HIV have reduced AIDS.

I year preservice teachers enacted MIME. The theme of the mime is spreading AIDS, impact of AIDS in life and prevent to AIDS. Ms. Sivadharshini, Department of Physical science delivered a speech about AIDS. Finally Chief Guest on the dais, staff members, preservice teacher and students took pledge about AIDS. Words of gratitude

delivered by Ms.Buthrasahini, Department of English. The entire programme came to end with National Anthem.

Beneficiaries: 250

Learning Outcomes:

To show support and care for people living with AIDS and affected by HIV.

To Prevent HIV infection through changing their physical behavior.

“United Against HIV, Together for Health”: This slogan emphasizes the collective effort needed to combat HIV. It stresses unity among individuals, communities, and nations in the fight against the virus. By uniting, people can strive for better health outcomes for all

“Positivity in Action, AIDS in Retreat”: This slogan embodies a positive and proactive approach to fighting AIDS. It encourages actions that promote positivity, support, and care, with the ultimate goal of reducing the impact of HIV/AIDS.

PREVENTION IS BETTER THAN CURE
