International Forest Day - 2025

Organized by NSS

"Forests: The silent guardians of our planet."

DATE: 21-03-2025

OBJECTIVE:

To plant a significant number of indigenous herbal trees, thereby enhancing local biodiversity and promoting traditional medicinal knowledge.

PROGRAM:

The National Service Scheme (NSS) programme was successfully conducted at Government High School, Nadur, under the leadership of the School Headmaster, Dr. H. Moorthy, Ph.D. The event began with an enlightening speech by the Headmaster, who highlighted the vital role of plants and trees in maintaining ecological balance. He also underscored the importance of forest conservation and encouraged students to actively participate in protecting the environment. As part of the initiative, first-year pre-service teachers, accompanied by their faculty members, engaged in planting a variety of herbal plants within the school premises.

The programme concluded on a positive note, reflecting the students' enthusiastic commitment to environmental conservation and the success of the initiative.
