Principal Speaks

“The fear of the Lord is the beginning of knowledge” (Pro.1 :7)

Bon Secours College opens unlimited opportunities for the women learners entrusted to our care to transform and empower themselves through education. The college boasts of a vast campus with hostel facility within the campus. The college has an auditorium with a seating capacity for thousand students and a mini air conditioned hall. The members of the faculty are well qualified, committed and are ready to help the students whenever they are needed. True to its vision and mission, the college aims at the multisided growth of its students. The Management and the staff are firm in their commitment to prepare the students to face the changes and the challenges of the world tomorrow.

HISTORY OF INSTITUTION:

Bon Secours College of Education is the fruit of 155 yearlong committed service of the Bon Secours Congregation in the field of education. Their rich experience and efforts were helped in the establishment of Bon Secours College of Education in the year 2004. Within the short span of four years, the college has scaled greater heights in terms of offering value based education, students discipline, University ranks, placement and above all a revolution in bringing the rural girls out of their shells to the portals of the college.
